13th year, 2016

Dear Friends, Well Wishers and Patrons of Swisspuja,

The New Year is almost two months old, and the onset of spring in India has been just heralded with 'Binapani aaradhana' (worship of Ma Saraswati, the Goddess of Learning and Knowledge).

Alongside this behind the curtains the Swisspuja 2016 organizing committee has initiated activities to bring your expectations to reality, which you expressed at the end of Bijoya Sammilani 2015.

A Warm Welcome to 2016 from Swisspuja! This year we will have all our regular events like the Durga Puja, Picnic and Rabindra Jayanti, in addition to the concluding gala evening of Bijoya Sammilani.

Mark the dates in your calendar and start planning for Durga Puja holidays and the other events. We look up to you for your continued patronage, participation, ideas and constructive feedback to ensure a grand and successful 13th year of Durga Puja in Switzerland, along with Rabindra Jayanti and the annual Swisspuja Picnic.

Watch out for our mailers and Facebook updates on specific events.

### **Recognition of outstanding achievement:**

Swisspuja takes this opportunity to express pride as a community and at the same time congratulate our valued community member Dr. Indranil Banerjee for being awarded the globally prestigious Pfizer Research Award for virus research. This award is for his landmark invention on the influenza virus infection. Indranil a presidential fellow at the Novartis Institutes for Biomedical Research received the award with Japanese co-workers Yohei Yamauchi and Yasuki Miyake.

All the best to you and keep up the great work!!

### **Message of condolence:**

On a regretful note, friends, we have recently lost an ex-member of our community. Mr. Ashim Paul passed away on the 11<sup>th</sup> of February. We express our deep and heartfelt condolences to the bereaved family and pray that they have the strength and courage to bear the irreparable loss.
