SARBOJANIN DURGAPUJA SWITZERLAND

Dear Swisspuja Family,

We hope this letter finds you well and you are getting ready for some relaxing days off over Christmas and New Year's. It's been almost a month since our General Body Meeting. A big shout out to last year's committee for the great job they have done in 2016.

Before we go off to spend some merry days with our loved ones, we thought of giving you a short update on what has been going on in the last few weeks and what we are planning for the coming months to make Swisspuja 2017 a memorable year for you.

A new executive committee and sub-committee for 2017 has been formed. We have many new faces this year and we are looking forward to working together. We will have an official handover from the 2016 committee mid-January. Nevertheless, time does not wait for us and the preparations have already started.

First up on the event list, Rabindra - Nazrul Sandhya. This will take place in the evening on a weekend sometime mid or late May. If you have any ideas or would like to take part in the cultural program, please send us an email (ecmember@swisspuja.org) by the end of January 2017, with your program details.

Next, prior to the summer holidays, we will have our annual Swisspuja family picnic around the end of June. We hope to host it near a lake this time to get a change of scenery, but let's see if we can make it happen. Do not worry, we will keep you updated and give you ample time to save the date.

Swisspuja requires a lot of planning throughout the year and countless hours of work behind the scenes. Every year we put in our best efforts to make all the events successful. This year we would like to hear from you, Swisspuja Family! We would like you to fill out a feedback form which will probably take you no more than five minutes but it would mean a lot to us and make a big difference. Your opinions and suggestions matter to us!
