14 Years of Socio-Cultural Celebration

## Let's Celebrate Together !

Dear Swisspuja Family,

As the seasons turn, we make our way towards the 26th of September and to Swisspuja's mega event of the year - Durga Puja 2017 which is less than 60 days from now.

We are already making headway with preparations for the series of cultural programs which are an integral part of our Durga Puja celebrations.

The cultural programs will be conducted on all the 4 days - Shasthi through to Nabami. All of these evenings will be packed full of different events. We have taken care to ensure that there is something for all of You, the entire Swisspuja family.

Performance categories span across four categories: Songs (solo/Group), Dance (Solo/Group), Recitation, Drama - This (and more) is what we will all be looking forward to...We are sure you are all just as excited as we are! We are looking forward to your participation across the cultural events.

Now, we would like you to also register your interest if you, or members of your family, would like to participate in the cultural programs.
