*14 Years of Socio-Cultural Celebration*

## ***And the Countdown Begins....***

Thank you so much for your overwhelmingly positive response to the Swisspuja Picnic 2017. We are so delighted to note that you are just as excited about the event as we are !

For a sneak peak behind the scenes and to find out just what we have in store for you, please read on!

The day has been packed full of different events, with both indoor and outdoor activities. We have taken care to ensure that there is something for all of **You**. As well as the **usual suspects** (our famous tug of war is back!) we have a new headline activity which will make this year's picnic all the more memorable: **Beach Volleyball!**

This (and more) is what we will all be looking forward to...

**For adults** - Football, Cricket, Tug of War, Antakshari, Beach Volleyball and Housie  
**Kids' Activity Corner** - Swimming, Race  
**Kids' Creativity Corner** - Story Telling, Drawing

Event Starts at **10:00** hrs and ends at **18:30** hrs, with a lavish lunch buffet at **12:00** hrs. In addition to this there will be a break in the afternoon for mouth-watering snacks & tea.

## ***Now, for some words to the wise***

As there will be plenty of opportunity to spend time outdoors and in the swimming pool (for children above 6 years) so please be sure to pack :

- **Sunscreen** (adults & children)
- **Caps** (adults & children)
- **Swimming Costume** (children)

For **Kids' Creativity Corner** - please bring pencils, erasers and colours. Papers will be provided by us.

It will be great if you can bring a picnic mat (if only you have one).

Please note that there will be a pick up and drop-off facility from the Stans Bahnhof to the venue. In case you intend to avail this facility please reach out to Mr Pradip Nandi (**0797598036**) or Mr Atish Dipankar Chowdhury (**0795049071**) upon reaching Stand Bahnhof on July 02, 2017.
