Dear Swisspuja Family,

At the outset we Wish You **Shubho Naboborsho!** We hope and pray that you are blessed with good health, happiness, success, and prosperity in this Bengali New Year 1428!

2020 was a difficult year for all of us with a pandemic raging across the world. We are delighted that even then the preceding Executive Committee managed to organize a safe and very successful Durga Puja celebration with your enthusiastic and whole-hearted support and participation.

Since then, as you may know, the Annual General Body Meeting (AGBM) was held over two days 13th December 2020 and 4th April 2021. We Thank those members who participated in these meetings!

On 13th December ([Documentation](#)), the Executive Committee 2020 was dissolved and the meeting was adjourned. In the continuation of the meeting on 4th April the nomination and election of the [Executive Committee 2021](#), [Mentors](#) and [Auditors](#) took place ([Minutes of this meeting](#)).

2021 is the 18th year of Swisspuja's existence. In the process of reaching adulthood Swisspuja has touched new heights in each and every year of its development. We the new Executive Committee remain undeterred in our quest to make 2021 a memorable year for our members. We count on your continued guidance and support to this end.

We are excited to bring to you the first Swisspuja event of this year **Rabindra Jayanti on Sunday, 9th May** and we look forward to your avid participation.

You may have already received details about participation in our online

registration details once again.

Thank You!

With best wishes and regards,
Swisspuja Executive Committee 2021
