WYOP is organizing a walk/run event to raise funds for COVID relief in India. Our friend and Swisspuja member, Indranil Bhattacharya will be running continuously for 12 hours as a part of this event. Swisspuja is collaborating with WYOP to promote the event.

Please find the event details [here](#).

We request all Swisspuja members to join the event and contribute towards this noble effort.

Swisspuja COVID Relief contribution:

Though the severity of the second wave of COVID-19 in India seems to be abating during the last week the need for medical supplies, and support for the affected and the bereaved remains critical.

We, as Swisspuja, have consistently demonstrated a philanthropic intent over the last years, and now is time again to stand by the people in need in our country of origin.

Hence, after evaluating various options, the Swisspuja Executive Committee 2021 is proposing to donate a sum of **CHF 5000** to the **West Bengal State Emergency Relief Fund**.

We would call for an **exceptional AGM on 5 June 2021** to seek your approval for this. Further details on the AGM will follow shortly.

Thank You!

With best wishes and regards,
Swisspuja Executive Committee 2021
