Dear Swisspuja members,

As you know from our previous email, we are meeting on **Saturday, April 30**, to celebrate Bangali Naboborsho and Rabindra Jayanti.

Location:

Reformierte Kirche
Wettingen-Neuenhof
Etzelstrasse 22
5430
Wettingen

<http://www.ref-wett-nhf.ch/>

This is a **Members Only** event.

We've already had many registrations for the cultural programme, from Shruti Natok to dances, music, abritti...so it will be a fun filled evening where we meet as a community, for our first event of 2022.

Of course, food is also an integral part of Bangali culture, so there will be provision for snacks and dinner, for you to buy. Swisspuja will support this with free tea for adults and juice for children.

The evening's programme is as follows:

- Doors open 1700

- Snacks from 1700 till 1740
- Programme starts 1745
- Dinner from 2000

Entry per person

- Upto 6 yrs : Free
- 6 yrs+ : chf 6 per person
